

NAMA : RAIHAN RIDHO  
 NO. DAFTAR : 2418150027  
 PRODI : TEKNIK INFORMATIKA

| KODE     | SEMESTER | MATA KULIAH                                           | SKS |
|----------|----------|-------------------------------------------------------|-----|
| TI041103 | 1        | Keterampilan Nonteknis                                | 2   |
| KM000001 | 2        | Kreatifitas Mahasiswa 1                               | 1   |
| KM000002 | 3        | Kreatifitas Mahasiswa 2                               | 1   |
| TI043109 | 3        | Praktikum Basis Data Lanjut                           | 1   |
| TI043103 | 3        | Basis Data Lanjut                                     | 2   |
| TI043104 | 3        | Metodologi Agile                                      | 2   |
| TI043106 | 3        | Workshop Pemrograman Framework                        | 2   |
| KM000003 | 4        | Kreatifitas Mahasiswa 3                               | 1   |
| TI044106 | 4        | Sistem Pendukung Keputusan                            | 2   |
| TI044104 | 4        | Aplikasi Berbasis Web                                 | 2   |
| TI044105 | 4        | Desain Pengalaman Pengguna                            | 2   |
| TI044103 | 4        | Kecerdasan Buatan                                     | 2   |
| TI044102 | 4        | Workshop Sistem Informasi Geografis                   | 2   |
| TI044101 | 4        | Workshop Aplikasi dan Komputasi Awan                  | 2   |
| TI044110 | 4        | Praktikum Kecerdasan Buatan                           | 1   |
| TI044109 | 4        | Workshop Pola Desain Perangkat Lunak                  | 2   |
| KP000005 | 5        | English for developing vocabulary                     | 2   |
| KM000004 | 5        | Kreatifitas Mahasiswa 4                               | 1   |
| KP000003 | 5        | K3L dan Standar Internasional                         | 2   |
| TI045104 | 5        | Workshop Administrasi Basis Data                      | 2   |
| TI045101 | 5        | Pengembangan Perangkat Lunak berbasis Agile           | 2   |
| TI045102 | 5        | Pengujian dan Penjaminan Kualitas Perangkat Lunak     | 2   |
| TI045105 | 5        | Praktikum Pengembangan Perangkat Lunak berbasis Agile | 1   |
| TI045105 | 5        | Workshop Data Mining                                  | 2   |
| MB040007 | 6        | MBKM: KKN Tematik                                     | 20  |
| PI040002 | 6        | Riset Independen 2                                    | 2   |
| PM040002 | 6        | Pengabdian Masyarakat 2                               | 2   |
| MB040003 | 6        | MBKM: Asistensi Mengajar                              | 20  |
| MB040009 | 6        | MBKM: Magang                                          | 10  |
| MB040014 | 6        | MBKM: Kegiatan Wirausaha                              | 10  |
| MB040016 | 6        | MBKM: Pertukaran Pelajar                              | 10  |
| MB040013 | 6        | MBKM: Proyek Kemanusiaan                              | 10  |
| MB040002 | 6        | MBKM: Studi Independen                                | 20  |
| MB040010 | 6        | MBKM: Studi Independen                                | 10  |
| MB040005 | 6        | MBKM: Proyek Kemanusiaan                              | 20  |
| MB040006 | 6        | MBKM: Kegiatan Wirausaha                              | 20  |
| MB040011 | 6        | MBKM: Asistensi Mengajar                              | 10  |
| PI040001 | 6        | Riset Independen 1                                    | 2   |
| PM040001 | 6        | Pengabdian Masyarakat 1                               | 2   |
| MB040008 | 6        | MBKM: Pertukaran Pelajar                              | 20  |
| MB040004 | 6        | MBKM: Penelitian / Riset                              | 20  |
| MB040015 | 6        | MBKM: KKN Tematik                                     | 10  |
| MB040012 | 6        | MBKM: Penelitian / Riset                              | 10  |
| TI046301 | 6        | Proposal Proyek Akhir                                 | 1   |
| TI040202 | 6        | Kerja Praktek 6 bulan                                 | 20  |
| TI040407 | 6        | Aljabar Linier                                        | 2   |
| TI040406 | 6        | Workshop Kecerdasan Komputasional                     | 2   |
| TI040405 | 6        | Workshop Arsitek Cloud                                | 2   |
| TI040404 | 6        | Workshop Pengembangan Cloud                           | 2   |
| TI040402 | 6        | Bisnis Berbasis Teknologi                             | 2   |
| PI040003 | 7        | Riset Independen 3                                    | 2   |
| TI047301 | 7        | Proyek Akhir-1                                        | 3   |
| TI040407 | 7        | Workshop Devsecops                                    | 2   |
| TI040406 | 7        | Workshop Kecerdasan Komputasional                     | 2   |
| TI040404 | 7        | Workshop Keamanan Jaringan                            | 2   |
| TI040403 | 7        | Workshop Data Warehouse                               | 2   |
| TI040402 | 7        | Matematika Diskrit                                    | 2   |
| PI040004 | 8        | Riset Independen 4                                    | 2   |
| WI040004 | 8        | Bahasa Inggris Profesional                            | 2   |
| TI048301 | 8        | Proyek Akhir-2                                        | 8   |
